Dear Mr Casey,

Re: Matrix amendments

I understand that matrix amendments have been provided to you impacting on distances in relation to Baulkham Hills Station and Metro North 2 (email correspondence to Industrial Officer Anthony Samson on 19 and 20 October 2011).

Given the number of queries that have been received from firefighters and the time that has lapsed since correspondence, the Service now intends to publish amendments as proposed in aforementioned email correspondence on or after 9 December.

Should there be any outstanding concerns with calculated distances the Service will consider further amendments accordingly.

Yours sincerely,

Bernard King
A/ Director Human Resources
