2016 Award claims - update #2

SITREP 32 reported the reaching of in-principle agreement on new Permanent and Retained Awards. Subsequent negotiations have seen minor amendments made to both and in the case of the Permanent Award, agreement also reached on accompanying details and revised LF and LSO selection processes. Links to copies of all of these documents can be found in the online version of today's SITREP. Amendments will be moved at the opening AGM on 28 October to allow these updated Awards, notes and LF/LSO processes to be voted upon. Explanatory notes will follow next week.
