

Trevor Ross

I've been a firefighter for 36 years, with 15 of those as a Retained. I have served on State Committee for the last 6 years as the Secretary for the Sydney Outer West Sub Branch.

One of my biggest achievements on a local level was communications. I visited every station and platoon in our Sub Branch regularly and began the email network we still use today.

I have also been involved in boundary reviews on behalf of the Union. This involves high level meetings with FRNSW and RFS officers to ensure a safe work place for us by extending station boundaries.

I'm proud the SCOM I'm part of voted to take strike action that won the 2012 Workers Comp dispute, that we put an end to TOLing and that I was involved in bringing in the flexible roster changes to achieve 24 hour shifts.

Since my time on SCOM I think we have achieved a huge amount but it never ends. I am excited and keen to use my Union experience in an executive position.
