

## Mick Johnsen

My name is Mick Johnsen and I'm a candidate for the position of Senior Vice President of the FBEU, your Union. I have been a Firefighter for over 20 years and currently work as a regionally based rescue instructor, having worked as a firefighter in several of the Sydney metro and regional areas.

I am running as an independent candidate, not aligned to any group. My responsibility will always be to the members.

As a former SCOM official and current station delegate, I believe that I have the knowledge and experience to carry out the role of Senior Vice President. Most recently, I successfully negotiated with FRNSW Senior Management & the SCOM on

behalf of regional trainers, leading to the adoption of a flexible roster for regional trainers.

As a Union, I believe we must

- Protect & improve our working conditions
- Improve member consultation & engagement
- Secure Presumptive Legislation for firefighter illnesses
- Provide voluntary qualification & promotional pathways for all members, retained & permanent

I seek your vote and your support so that I can work with all members to bring about positive change, inclusive decision-making, ultimately bringing better working conditions for all.
