- The new FBEU needs to be more open and transparent
- The new FBEU needs to introduce electronic voting and become modernised
- One fire and emergency agency for NSW with retained to permanent entry pathway
- Fix the broken promotional system – where have all the RO's gone?
- I am against selective calling for retained stations
- More support to mental health and fitness for all levels of firefighters
- Introduce 24 hours of annual Community Service Volunteering Leave for our members which can accrue
- We need increased pay raises without trading away our conditions
