PART B

5. Intention

The intention of this Award is to regulate the rates of pay and conditions of employment for employees covered by this Award.

6. Rates of Pay and Allowances

6.1 The provisions of clauses 6.2 to 6.7 inclusive shall not apply to Executive Officers and the provisions of subclause 6.8 shall not apply to Operational Firefighters. The provisions of subclauses 6.9 to 6.17 inclusive shall apply to all employees.

6.3 Each "Per Week" rate of pay shown in Tables 1 and 2 of Part C is a composite rate which incorporates:

6.3.1 the basic wage, margin, loading, shift allowance and industry allowance previously prescribed separately in the Fire Brigade Employees (State) Award (as varied from time to time), published in the NSW Industrial Gazette on 28 June, 1991; and

6.6.2.2 for Operational Firefighters who travel between stations pursuant to Clause 12, Relieving Provisions; and

6.6.2.3 for Officers who are required to use their own vehicle to attend an incident whilst off duty.

6.7 Exceptions, Explanations and Method of Adjustment

- 6.7.1 Subject to subclause 7.7, the allowances set at subclauses 6.6.3 to 6.6.13 (inclusive) shall not be payable to the occupants of Operational Support positions.
- 6.7.2 The allowances set at subclauses 6.6.3 to 6.6.13 (inclusive) shall be paid in full, regardless of the number of shifts actually worked by the employee within that week.

- 6.7.4 The allowances set at subclause 6.6.12 shall in future be adjusted by firstly calculating the increase for 5-10 years service to the nearest cent to arrive at a new base rate and then doubling that new base rate to arrive at the new 10-15 years service amount and tripling that new base rate to arrive at the new 15-plus years service amount.
- 6.7.5 The Major and Minor Aerial allowances set at subclauses 6.6.3 and 6.6.4 respectively, shall not be paid concurrently. In situations where both allowances would otherwise apply pursuant to this Clause, the Major Aerial Allowance only shall be paid.

6.8 Executive Officers

The salaries for Executive Officers are as specified in Table 1 of Part C, Monetary Rates. Such salaries are all incidence rates of pay and include compensation for:

- 6.8.1 the way in which ordinary hours are worked in terms of sub-clause 8.12;
- 6.8.2 the working of any excess hours or being on call; and

Without Precedent / Without Prejudice
For Discussion Purposes Only

6.8.3 the non payment of an annual leave loading.

6.9 Provisions Applying to All Employees

6.9.1 Employees shall be paid fortnightly and payment shall be made into a bank account specified by the employee, or other financial institutions acceptable to the Department and the Union.

6.9.2 Employees shall be paid not later than Thursday in any pay week. Provided that Operational Firefighters who perform overtime shall be paid within two pay periods of the date upon which such overtime was worked.

6.10

6.10.1 An employee shall not be entitled to payment in respect of any unwarranted absence from duty or in respect of leave granted without pay.

6.10.2 Where any strike or stoppage of work occurs during a pay period for which payment has already been made, the Department shall deduct the amount overpaid from the wages of the employee. The provisions of subclause 6.16 shall not apply in cases where overpayments have occurred as a result of any strike or stoppage of work.

6.11 Unless as otherwise provided for in Clause 24, Special Leave for Union Activities, where an employee is, on application, granted leave by the Department to attend to Union business, all such leave shall be leave without pay.

6.12 Where the period of absence or leave under subclauses 6.10 and 6.11 of this clause, is a portion of a week, the amount to which an employee shall be disentitled shall be ascertained on an hourly basis. Such disentitlement shall be calculated to the nearest five minutes.

6.13 Where a portion of a week is worked in a higher classification immediately following promotion, payment for that portion shall be ascertained, on an hourly basis, by dividing the minimum rate of pay applicable to the new classification by forty. Such entitlement shall be calculated to the nearest five minutes.

6.14 In the event of the death of an employee, all monies due to the employee pursuant to the provisions of this Award shall be paid to the employee's estate.

6.15 Payroll Deductions:

6.15.1 Except as provided for in subclause 6.15.2, all salary deductions shall be made in accordance with the Treasury Guidelines.

6.15.2 Upon application by an employee, the Department shall make deductions from the employee's pay for Union subscriptions and shall forward the amount so deducted to the Union as soon as possible thereafter.

6.16 Overpayments:

6.16.1 In cases where an employee has been overpaid, the Department shall be entitled to recover such overpayment in full. Unless the employee agrees otherwise, the maximum rate at which the overpayment can be recovered is an amount, calculated on a per fortnight basis, equivalent to 10% of the employee's gross fortnightly pay.

6.16.2 In all cases where overpayments have occurred, the Department shall as soon as possible advise the employee concerned of both the circumstances surrounding the overpayment and the amount involved. The Department will also advise the employee of the pay period from which the recovery of the overpayment is to commence.

Without Precedent / Without Prejudice
For Discussion Purposes Only

- 6.16.3 The recovery rate of 10% of an employee's gross fortnightly pay referred to in subclause 6.16.1 may be reduced by approval of the Commissioner if the Commissioner is satisfied that such a rate of recovery would cause undue hardship to the employee concerned.
- 6.16.4 Where an employee's remaining period of service does not permit the full recovery of any overpayment to be achieved on the fortnightly basis prescribed in subclause 6.16.1, the Department shall have the right to deduct any balance of such overpayment from monies owing to the employee on the employee's date of termination, resignation or retirement, as the case may be.

7. Higher Duties

- 7.1 Subject to subclauses 7.2, 7.3, 7.4 and 7.7, an employee shall not be permitted to perform higher duties unless, firstly, the employee is qualified to perform such duties and, secondly, where a rank or classification structure applies, the employee is at the rank or classification immediately below the rank or classification of the position in which the relief is to be performed.
- 7.2 Where a Station Officer is temporarily absent (on leave or for any other reason), that Station Officer's position may be filled by a Leading Firefighter performing higher duties, provided that no absent Station Officer's position may be filled by a Leading Firefighter performing higher duties (either by election or direction) for more than 28 days of any such absence.
- 7.3 Where an Inspector (including an Operational Support Inspector) is temporarily absent (on leave or for any other reason), that Inspector's position may be filled by a Leading Station Officer performing higher duties, provided that no absent Inspector's position may be filled by a Leading Station Officer performing higher duties (either by election or direction) for more than 28 days of any such absence.
- 7.4 Leading Firefighters and Leading Station Officers may elect or be directed to temporarily perform higher duties in the circumstances described in subclauses 7.2 and 7.3 and subject to subclause 7.5, shall not perform higher duties otherwise.
- 7.5 The limitations of subclauses 7.2, 7.3 and 7.4 shall not apply where:
- 7.5.1 a vacancy in a Country position arises and is advertised in Commissioner's Orders pursuant to subclause 28.7 within 28 days of such vacancy occurring, in which case a Leading Firefighter or Leading Station Officer (as the case may be) may elect or be directed to perform the duties of the vacant position until the position is filled, or the expiration of three months, whichever occurs first.
- 7.5.2 a Leading Firefighter or Senior Firefighter successfully applies for a Country Officer position pursuant to subclause 28.7.2, in which case the Leading Firefighter or, subject to subclause 28.7.2.3, Senior Firefighter shall be transferred to that station/location and shall perform the duties of the vacant position until such time as he or she is either promoted, or ceases to be eligible for such promotion pursuant to subclause 13.8.2. An employee who ceases to be eligible for such promotion shall cease to hold that position and be transferred to the GSA.
- 7.5.3 a Leading Station Officer or Station Officer successfully applies for a Country Senior Officer position pursuant to subclause 28.7.3, in which case the Leading Station Officer or, subject to subclause 28.7.3.3, Station Officer shall be transferred to that station/location and shall perform the duties of the vacant position until such time as he or she is either promoted, or ceases to be eligible for such promotion pursuant to subclause 13.10.2. An employee who ceases to be eligible for such promotion shall cease to hold that position and be transferred to the GSA.
- 7.5.4 a Leading Station Officer or Station Officer successfully applies for an Operational Support Inspector's position pursuant to subclause 28.7.4, in which case the Leading Station Officer or Station Officer (as the case may be) shall be transferred to that station/location and shall perform the duties of the vacant Operational Support Inspector's position until such time as he or she is either promoted, or ceases to be eligible for such promotion pursuant to subclause

Without Precedent / Without Prejudice
For Discussion Purposes Only

- 13.10.2. An employee who ceases to be eligible for such promotion shall cease to hold that position and, if located outside of the GSA, be transferred to the GSA.
- 7.5.5 A Senior Firefighter successfully applies for an Operational Support Station Officer's position pursuant to subclause 14.10.1, in which case the Senior Firefighter shall be transferred to that station/location and shall perform the duties of the vacant Operational Support Station Officer's position, until such time as they are either promoted (subject to subclauses 14.10.4), or cease to be eligible for such promotion pursuant to subclauses 13.7.4 and 13.8.2. An employee who ceases to be eligible for such promotion shall cease to hold that position and, if located outside of the GSA, be transferred to the GSA.
- 7.6 For the avoidance of doubt, the intention of subclauses 7.2, 7.3, 7.4 and 7.5 is to ensure that Station Officer positions are ordinarily filled by employees holding the rank of Station Officer or Leading Station Officer, and that Inspector positions are ordinarily filled by employees holding the rank of Inspector.
- 7.7 An employee performing higher duties shall be paid the difference between the employee's usual rate of pay and the minimum rate of pay for the rank or classification in which the higher duties are performed. An employee who is ordinarily entitled to an allowance at subclause 6.6.3 to 6.6.13 (inclusive) shall continue to be paid such allowance while they are performing higher duties.
- 7.8 An employee performing higher duties who proceeds on any form of leave shall be paid during such leave at the employee's usual rate of pay and not at the rate of pay of the rank or classification in which the higher duties were being performed.
- 7.9 While a Senior Officer who relieves an Executive Officer shall be remunerated for the period of relief in terms of subclause 7.7, such employee shall, with the exception of provisions relating to hours of work and overtime, retain the conditions of employment applicable to a Senior Officer. In relation to hours of work and excess hours such an employee shall, for the period of relief, be covered by subclause 8.13 of Clause 8, Hours of Work.
- 7.10 In selecting employees to perform higher duties the following procedures shall apply:
- 7.10.1 Where the period of relief is to be less than one month, merit selection need not be applied. However, the Department shall have regard to the principles of equitably sharing career development opportunities.
- 7.10.2 Where the period of relief of an Executive Officer or an Operational Support position is one month or more and the need for the relief is known in advance, expressions of interest shall be called for and determined by merit selection.
- 7.10.3 Where the need for the relief of an Executive Officer or an Operational Support position is not known in advance, but it subsequently becomes known that the duration of the relief is anticipated to be for two months or more, the initial appointment shall be made in accordance with subclause 7.10.1. However, immediately following that initial appointment expressions of interest are to be called for and determined by merit selection.

8. Hours of Work

- 8.1 Subject to subclauses 8.2.2 and 8.2.3, the average ordinary working hours of Operational Firefighters shall be forty hours per week over the cycle of weeks for which the rosters of ordinary hours of duty and leave operate. All rosters include, in addition to the average forty ordinary hours per week, an average per week of two hours of thirty-eight hour week leave accrual which shall be accumulated and added to annual leave accrual and taken in accordance with Clause 17, Annual Leave.

- 8.2.2 Operational Firefighters may, with the Department's agreement, elect to work alternative rosters to their default roster, provided that any such alternative roster:
- 8.2.2.1 must operate over an eight-week cycle and be drawn up and provided to both the Operational Firefighter and the Union not less than fourteen days prior to commencement;
 - 8.2.2.2 must allow at least eight consecutive hours between the cessation of one rostered shift and the commencement of the next rostered shift;
 - 8.2.2.3 must operate within the hours of the Operational Firefighter's default roster, provided that employees whose default roster is the Special Roster may apply to work alternative rosters that commence and cease up to two hours earlier or later than provided by the Special Roster.
 - 8.2.2.4 must not allow split or broken shifts;
 - 8.2.2.5 must not allow a reduction in the minimum Operational Firefighter staffing required at the station/location in question;
 - 8.2.2.6 must not allow more than five days' work, or more than five rostered shifts, in any seven day period; and
 - 8.2.2.7 must not average more than forty two ordinary working hours per week over the eight-week cycle.
- 8.2.3 An Operational Firefighter who elects to work an alternative roster that allows fewer average ordinary working hours than allowed for by subclause 8.1 shall be paid and accrue leave on a pro-rata basis.
- 8.2.4 Notwithstanding anything to the contrary elsewhere in this Award, an Operational Firefighter who elects to work an alternative roster that allows one or more 24 hour shifts shall:
- 8.2.4.1 be paid the Relieving Allowance, if payable, twice for each rostered 24 hour shift so worked; and
 - 8.2.4.2 have any Outduty performed during a rostered 24 hour shift counted as two Outduties for the purposes of subclause 12.17; and
 - 8.2.4.3 have the period before a Stand By becomes an Outduty during a rostered 24 hour shift doubled, but only if the Stand By is performed to cover the absence of another employee who was rostered to work a 24 hour shift; and
 - 8.2.4.4 have any compassionate leave taken during a rostered 24 hour shift counted as two shifts for the purposes of subclause 18.1; and
 - 8.2.4.5 have any unsupported sick leave absence taken during a rostered 24 hour shift counted as two separate occasions for the purposes of subclause 23.8 except;
 - 8.2.4.5.1 a part shift sick leave absence falling between 0800 and 1800 hours or a part shift sick leave absence between 1800 and 0800 will be counted as one occasion for the purposes of subclause 23.8.
 - 8.2.4.5.2 The arrangements in subclause 8.2.4.5.1 will cease on the expiration of this Award unless either party terminates these arrangements sooner

Without Precedent / Without Prejudice
For Discussion Purposes Only

8.2.4a In all cases, the Relieving Allowance paid at subclause 8.2.4.1 and the Outduties and leave counted at subclauses 8.2.4.2, 8.2.4.4 and 8.2.4.5 shall not be paid or counted either less or more than twice during a 24 hour rostered shift.

Without Precedent / Without Prejudice
For Discussion Purposes Only

- 8.7 Except for fire stations operating the Standard 10/14 roster system on the date of the making of this Award, the roster prescribed in subclause 8.3 of this clause shall not apply to fire stations which the Department determines shall be staffed by employees on a full-time basis for less than 168 hours per week and by Retained Firefighters for the balance of the week where the ordinary hours not exceeding 40 per week shall be worked as directed by the Department from time to time.
- 8.8 The average ordinary working hours of employees holding the classification of Recruit Firefighter shall be 40 hours per week. The rostered hours of work for Recruit Firefighters shall be arranged so that they shall not accrue 38 hour leave. The hourly rate of pay of an employee holding the classification of Recruit Firefighter shall be determined by dividing the weekly rate of pay for a Recruit Firefighter by 40.
- 8.9 Irrespective of which roster is for the time being applicable, the following general conditions shall apply:
- 8.9.1 In the event of an alarm, requiring any station to stand by or respond to an incident, being received at the station during roll call, the oncoming platoon shall, if required, respond to the incident. The off-going platoon shall remain on duty, if required, or until otherwise directed. Roll calls shall be conducted by the station bell being rung two minutes before rostered time to change shift.
- 8.9.2 The oncoming shift available in the station may attend roll call without any overtime penalty being incurred, but on completion of the roll call and the Officer-in-Charge being satisfied that there are adequate staff for the shift, the off-going shift shall then be dismissed.
- 8.9.3 No employee shall be charged with being absent from duty who misses the roll call at two minutes in the time set for the change of shift, provided that the employee is on station premises by the rostered time for the shift to commence. An employee retained beyond the ceasing time of the shift shall be paid overtime.
- 8.9.4 If, when the oncoming platoon reports at a station at the time prescribed for the change of shift, the other platoon is proceeding to or attending an incident or alarm, the oncoming platoon, if so ordered, shall after roll call, proceed to the incident and the Officer or senior members of the platoon shall report, without delay, the arrival of the platoon to the Officer-in-Charge of the incident. The off-going platoon shall remain on duty at the incident until relieved.
- 8.9.5 The Officer-in-Charge of the incident may, if in that Officer's judgment it is expedient, hold both the oncoming and off-going platoons for duty at the incident. If the off-going platoon is not held at the incident or is not detained at the incident for duty elsewhere, it shall report back to the station and shall remain available until the other platoon returns or until otherwise directed, when it shall be dismissed.
- 8.9.6 In the event of one or more members of the ongoing platoon being absent an equal number of members in the platoon on duty shall be liable to be detained on duty until such time as they may be relieved. Nothing herein contained shall be deemed to sanction an unauthorised absence or to relieve the absent member from a liability to be charged with being absent without leave and dealt with accordingly.
- 8.10 The rosters provide for an amount of residual leave of 7.25 hours per annum, which is to be credited as consolidated leave, on the anniversary of the employee's date of commencement of employment by the Department notwithstanding the provisions of subclause 8.8.
- 8.11 Employees shall not work in excess of sixteen (16) hours straight except in the case of a call to an incident or other emergency circumstances, or by agreement pursuant to subclause 8.12.
- 8.12 Employees may elect, but not be directed, to work in excess of sixteen (16) hours straight by way of overtime, an alternative roster or a change of shift agreement provided:
- 8.12.1 that such employees have the Department's approval to do so; and

Without Precedent / Without Prejudice
For Discussion Purposes Only

- 8.12.2 that such employees have at least eight consecutive hours off duty between the cessation and recommencement of duty; and
- 8.12.3 that no employee shall be permitted to work in excess of twenty four (24) hours straight except in the case of a call to an incident or other emergency circumstances, or a staff shortage pursuant to subclause 8.9.6.

8.13 Executive Officers

Executive Officers shall work an average of forty ordinary hours per week on a flexible basis according to the needs of the organisation on any day of the week or at any time of the day.

8.14 Change of Shift Agreements

Notwithstanding anything to the contrary elsewhere within this Award, two or more Non-Officers, Officers or Senior Officers (as the case may be) may enter into a full or part change of shift agreement with each other subject to the following conditions:

- 8.14.1 Employees shall apply in writing at least 24 hours prior to performing a full or part change of shift. This application, which may provide for multiple and/or recurring changes of shift, shall include the number of hours, the relevant times and date(s) and the names and signatures of both the employee(s) seeking the change and the employee(s) who shall be working in their stead.
- 8.14.2 An approved change of shift agreement shall operate so that:
 - 8.14.2.1 The employee who was originally rostered to work, but did not do so (Employee A) shall:
 - 8.14.2.1.1 be paid the wages they would otherwise have been paid pursuant to subclause 6.2.1 for that shift or part shift; and
 - 8.14.2.1.2 accrue the leave they would otherwise have accrued pursuant to Clauses 17, 20 and 23 for that shift or part shift; and
 - 8.14.2.1.3 subject to subclauses 12.6 and 8.14.2.2.2, be paid the Relieving Allowance as if they had worked that shift or part shift.
 - 8.14.2.2 The off-duty employee who works in Employee A's stead (Employee B) shall:
 - 8.14.2.2.1 be recognised for and paid for all purposes other than those listed at subclauses 8.14.2.1 as if they had been rostered to work those hours, provided that any time so worked by Employee B in excess of Employee A's originally rostered hours will be paid as overtime pursuant to Clause 9; and
 - 8.14.2.2.2 subject to subclause 12.6, be paid the Relieving Allowance provided: firstly; that Employee B shall always assume Employee A's base station for the purposes of Clause 12; and secondly; if Employee A and Employee B satisfy the requirements of subclause 12.6 then only Employee B shall be paid the Relieving Allowance and, if applicable, only Employee B shall be considered to have performed an Outduty.

Without Precedent / Without Prejudice

- 8.14.2.3 Employees may take leave (including annual and long service leave) during an operative change of shift agreement. Such employees shall not be required to make alternative arrangements (which, if necessary, shall be made instead by the Department) in the event that they or any other employee who is party to that agreement takes leave, scheduled or otherwise.
- 8.14.2.4 If Employee A takes annual leave or long service leave during an operative change of shift agreement then Employee A shall have both the hours they were rostered to work and the change of shift hours they had agreed to work for any other employee(s) deducted from Employee A's annual leave balance or long service leave balance.
- 8.14.2.5 If Employee B works an agreed change of shift for Employee A while Employee A is on annual leave or long service leave then Employee A shall be credited with the same number of annual leave or long service leave hours as worked by Employee B for Employee A.
- 8.14.2.6 If Employee B takes any form of leave (including, for example, sick leave) when scheduled to work an agreed change of shift for Employee A then those leave hours shall be deducted (but not paid for) from Employee B's relevant leave balance, unless it is a part change of shift agreement pursuant to 8.14.2.7.
- 8.14.2.7 Employee B may elect to enter into a change of shift agreement while on annual leave. In these circumstances, Employee B's entire annual leave period shall be debited for the hours they were rostered off on annual leave.
- 8.14.3 Employees shall not be permitted to perform full or part changes of shift immediately prior to or following their own rostered shift unless that full or part change of shift is to be worked at the same station as that rostered shift.
- 8.14.4 An on duty employee who has arranged a part change of shift shall not be permitted to leave duty until properly relieved by the employee who has agreed to work in their stead.
- 8.14.5 If there is a call of fire or any other emergency that disturbs or prevents a previously arranged part change of shift, no arrangement shall be made, or be expected to be made, to recall another employee. Any inconvenience shall be borne by the employees concerned without redress.
- 8.14.6 The Department shall not refuse an application to perform a full or part change of shift without good and proper reason, but may cancel a previously approved change of shift on the same basis provided sufficient notice is given to the affected employees.
- 8.14.7 Subject to subclause 8.14.2.3, an employee who has entered into a change of shift agreement will remain bound by that agreement unless and until such time as the other employee(s) concerned agrees, in writing, to terminate that agreement, or a change of shift is cancelled by the Department pursuant to subclause 8.14.6.

9. Overtime

- 9.1 Subject to subclause 9.2, overtime shall be paid for at the rate of time and one-half for the first two hours and at the rate of double time thereafter, provided that an employee who is required to work overtime shall be entitled to payment for at least 15 minutes of overtime on each occasion that the employee is called upon to work overtime. To avoid doubt, where work commences prior to the start of an employee's rostered shift and continues beyond the conclusion of that shift then the relevant rate of pay shall be determined by having regard to the entire period of overtime worked, so that any and all overtime worked in excess of two hours is paid at the rate of double time.
- 9.2 Any time worked by an employee in excess of 24 consecutive hours shall be paid for at the rate of double time, regardless of that employee's roster.

Without Precedent / Without Prejudice

- 9.8.1 Is required to transport the employee's gear from the station/location at which the gear is located to another station/location in order to perform the duties of the recall, such employee shall be paid the Kilometre Allowance set at Item 2 of Table 3 of Part C, for the distance travelled on the forward journey between the two locations, provided that employees who are placed upon a transfer register pursuant to clause 28, Transfers Outside of the GSA, and are claiming residential priority shall instead be paid the Kilometre Allowance for the distance between the permanently staffed station closest to their primary residence and the station/location where the duties of the recall are to be performed.

21.17 Transfer to a Safe Job

21.17.1 This subclause applies whenever the present work of a female employee is, because of her pregnancy or breastfeeding, a risk to the health or safety of the employee or of her unborn or new born child. The assessment of such a risk is to be made on the basis of a medical certificate supplied by the employee and of the obligations of the Commissioner under the *Occupational Health and Safety Act 2000*.

- 21.17.3 If such an adjustment is not feasible or cannot reasonably be required to be made, the Commissioner is to transfer the employee to other work where she will not be exposed to that risk.
- 21.17.4 If such a transfer is not feasible or cannot reasonably be required to be made, the Commissioner is to grant the employee maternity leave under this clause (or any available paid sick leave) for as long as is necessary to avoid exposure to that risk, as certified by a medical practitioner.

21.20.3 Employee's request and the employer's decision to be in writing:

The employee's request and the employer's decision made under 21.20.1.1 and 21.20.1.2 must be recorded in writing.

22.1.4 An employee shall, wherever practicable, give the Department notice, prior to the absence, of the intention to take leave, the name of the person requiring care and their relationship to the employee, the reasons for taking such leave and the estimated length of absence. If it is not practicable for the employee to give prior notice of absence, the employee shall notify the Department by telephone of such absence at the first opportunity on the day of absence.

22.2 Unpaid Leave for Family Purpose —

22.5 Make-up Time

- 22.5.1 An employee may elect, with the consent of the Department, to work "make-up time", under which the employee takes time off ordinary hours and works those hours at a later time during the spread of ordinary hours provided in this Award, at the ordinary rate of pay.
- 22.5.2 An employee on shift work may elect, with the consent of the Department, to work "make-up time", under which the employee takes time off ordinary hours and works those hours at a later time, at the shift work rate which would have been applicable to the hours taken off.

23. Sick Leave

- 23.1 The management of sick leave by the Department will be underpinned by an Attendance Management System that seeks to support employees in maintaining their health and recovering from illness or incapacity, and ensuring that sick leave is used only for legitimate purposes.
- 23.2 In every case of illness or incapacity sustained by an employee whilst off duty, the following conditions shall apply.
- 23.3 Such employee shall, as soon as practicable, inform their immediate supervisor of such inability to attend for duty and, as far as possible, shall state the estimated duration of their absence.
- 23.4 Subject to the provisions of subclause 23.8, such employee shall forward to the Department's Health and Safety Branch by Electronic Self Service (ESS), a medical certificate stating the nature of the illness or incapacity and, if known, the date the employee is fit to resume duty. If a medical certificate does not specify the date the employee is fit to resume duty, the employee must, before being entitled to resume duty, forward a further medical certificate to the effect that the employee has recovered from the illness or incapacity and is fit for duty, unless the employer dispenses with this requirement. The Health and Safety Branch shall ensure that personal medical information provided pursuant to this clause is not disclosed to any employees of the Department outside of the Health and Safety Branch.
- 23.5 If so required, such employee shall submit to examination by the Department's medical officer.
- 23.6 Every employee who is absent from duty for a period of more than twenty-eight days shall be examined by the Department's medical officer or a medical officer nominated by the Department and must be certified by such medical officer as fit for duty prior to being permitted to resume duty. An employee who is required to attend the Department's medical officer or nominated medical officer shall be reimbursed any out of pocket expenses reasonably and necessarily incurred. The Department shall meet the cost of any such consultation.
- 23.7 The granting of sick leave, the duration thereof and the pay, if any, for the same shall be on the following basis:
 - 23.7.1 One hundred and forty-four hours on full pay in any one year.

- 23.7.4 Sick leave is intended to be allowed in respect of absences from duty caused by ordinary illness or incapacity for duty as the result of an illness or injury sustained whilst off duty. When the incapacity is due to organised sporting activity or paid work, unconnected with the Department, any sick leave payment shall take into account any benefit in the nature of sick leave or workers compensation payments the employee concerned receives from the body organising the sporting activity or paid work, but to the extent of such benefit, the employee's sick leave entitlement shall not be affected.
- 23.7.5 Where payment has been made for sick leave, under this clause, to an employee whose sick leave entitlement previously has been exhausted, or whose right to sick leave is not established, the Department may deduct the amount overpaid from the salary of the employee concerned in the next pay period or, if such a deduction would cause hardship, in accordance with the provisions of subclause 6.15 of this Award.
- 23.7.6 Recruit Firefighters shall be eligible for sick leave. However, such employees shall only be entitled to use up to and including 72 hours of sick leave.
- 23.7.7 When the incapacity is due to a cause which would entitle an employee to workers' compensation, the Department shall pay the difference between the amount of workers' compensation payment and the ordinary rate of pay of the employee concerned. 23.15 In the event of a dispute as to a proposed variation, then provided the Union notifies a dispute within 7 days, the issue as to any proposed variation will be dealt with by the Industrial Relations Commission and during that process the status quo in regards to sick leave then applying will operate unless otherwise varied or altered by the Commission.

28.2.3 The parties agree that where permanent firefighters are to be introduced in an area outside the GSA for which no Transfer Register exists, a new Transfer Register will be established. Where a new transfer register is to be established, the Department shall advertise the establishment of that register and invite initial applications for a period of six weeks. Any applications received within the six week period shall be deemed to have been received on the date of creation of the register and placed on that register in accordance with the following provisions:

28.2.3.1 Notwithstanding the provisions of subclause 28.4.2, an applicant who satisfies the provisions of subclause 28.4.3 and has done so for a period of 2 or more consecutive years leading up to the date of creation of a Transfer Register shall be placed at the top of that Residential Transfer Register. Where more than one applicant satisfies this provision, placement on that Residential Transfer Register shall be determined by a ballot conducted by the Manager Operational Personnel; and

28.2.3.2 Applicants who are unable to satisfy the provisions of subclause 28.2.3.1 shall be placed at the top of the relevant General Transfer Register. Where more than one such application is received, the order of placement shall be determined by way of a ballot conducted by the Manager Operational Personnel.

28.3 Operation of Transfer Registers

28.3.1 The Department shall establish and maintain a General Transfer Register and a Residential Transfer Register for each category of Operational Firefighter employees as follows:

28.3.1.1 in the case of Non-Officers, for each of the Country Transfer Register areas and Regional Transfer Register areas listed at subclauses 28.2.1 and 28.2.2;

Provided that there shall not be a Blue Mountains Regional Transfer Register, a Maitland Transfer Register or a Northern Rivers Regional Transfer Register for Senior Officers, and that vacancies which occur within those areas shall be filled in accordance with subclause 28.7.

28.3.2

28.3.2.1 Each General Transfer Register shall detail each applicant's employee service number, their name (and in the case of Officer and Senior Officer transfer registers only, their rank), the date of their original application for transfer and, if applicable, the date their application for residential priority status was accepted, the date they were elevated to that area's Residential Transfer Register and/or the date of their eventual transfer to the area in question.

28.3.2.2 Each Residential Transfer Register shall detail each applicant's employee service number, their name (and in the case of Officer and Senior Officer transfer registers only, their rank), the date of their original application for transfer, the date their application for residential priority status was accepted, the date they were elevated to that area's Residential Transfer Register and, if applicable, the date of their eventual transfer to the area in question.

28.3.3 The order of placement of each employee upon each Transfer Register shall be determined:

28.3.3.1 in the case of General Transfer Registers, by order of the date upon which the employee made application for placement upon that Transfer Register. Where

Without Precedent / Without Prejudice
For Discussion Purposes Only

- more than one application for the same Transfer Register is submitted on the same day, the Manager Operational Personnel shall determine the order of placement of those multiple applicants by way of ballot; and
- 28.3.3.2 in the case of Residential Transfer Registers, by order of the date upon which the employee was elevated to that Residential Transfer Register. Subject to the provisions of 28.4.3, 28.4.7.1 and 28.4.7.2, an employee's elevation to a Residential Transfer Register shall be subject to: firstly, the employee having held a position on the relevant General Transfer Register for at least two years; and secondly, the employee having been recognised as having met and maintained residential priority status for that Transfer Register's area for at least two years.
- 28.3.4 Subject to the arrangements applying to Leading Firefighters and Leading Station Officers at subclauses 28.1.4 and 28.3.5, transfers shall be offered to employees upon the occurrence of a vacancy in the following order:
- 28.3.4.1 Firstly, by reference to the relevant Residential Transfer Register, with the first offer to be made to the highest placed employee on that Register and, if declined, to the next highest placed employee and so on until such time as the vacancy is filled.
- 28.3.4.2 In the event that no employee exists on the relevant Residential Transfer Register, or that all employees on that Residential Transfer Register decline the offer of transfer, the vacancy shall then be offered to all employees on the relevant General Transfer Register, with the first offer to be made to the highest placed employee on that Register and, if declined, to the next highest placed employee and so on until such time as the vacancy is filled.
- 28.3.4.3 In the event that no employee exists on the relevant General Transfer Register and/or all employees on that General Transfer Register decline the offer of transfer, the vacancy shall then be advertised for and open to all eligible employees.
- 28.3.5 An employee who accepts an offer of transfer pursuant to subclause 28.3.4 shall be released from their current position within twenty eight (28) days and transferred to that Transfer Register area. Declining an offer of transfer shall result in an employee's removal from the relevant Transfer Register. Employees who are so removed and who subsequently re-apply for placement on that Transfer Register will be required pursuant to subclause 28.4.6 to seek and hold residential priority for two years following their re-application in order to be elevated to that Residential Transfer Register.
- 28.3.6 The Department shall make available copies of all Transfer Registers to employees in the manner agreed between the Department and the Union.
- 28.4 Residential Priority
- 28.4.1 All employees seeking residential priority for any Transfer Register area shall be required to submit a report to the Manager Operational Personnel setting out the grounds for their claim. Such employees shall be required to provide evidence of their claim for primary residence prior to being placed on the Transfer Register with Statutory Declarations, electoral enrolment forms, rates notices, bills and/or such other documentation or evidence which it would be reasonable for the Department to request of the employee in order to verify their claim. Vacant blocks of land, Post Office boxes, investment properties, holiday homes or the addresses of relatives or friends, when in fact the employee has primarily resided elsewhere, shall therefore be unacceptable. This report may be either the same report as that of the employee's original application made pursuant to subclause 28.1.1, or a subsequent report which is submitted due to an employee's transfer or a change of primary residence.

Without Precedent / Without Prejudice
For Discussion Purposes Only

- 28.4.2 An employee shall not be entitled to recognition of residential priority on any Transfer Register prior to the date of their report making application for that recognition pursuant to subclause 28.4.1.
- 28.4.3 In order to recognise an employee's claim for residential priority for a particular Transfer Register, the Manager Operational Personnel must first be satisfied that the primary residence in question is located either:
- 28.4.3.1 within the Transfer Register area in question, or
 - 28.4.3.2 in such a location that any permanently staffed fire station within the Transfer Register area for which the applicant is claiming residential priority is closer to their primary residence than any permanently staffed fire station within the GSA or Transfer Register area, as the case may be, to which the applicant is currently attached. For the purposes of this subclause, distances shall be determined by drawing a straight line between both locations and calculating that distance, i.e. in a straight line.
- 28.4.4 Employees holding residential priority status on any Transfer Register will be removed from that Transfer Register if they fail to submit a further report pursuant to subclause 28.4.1 within three months of their:

 - 28.4.4.3 transfer from one Country or Regional Transfer Register area to another Country or Regional Transfer Register area.
- 28.4.5 The Manager Operational Personnel shall acknowledge and review all reports submitted pursuant to subclause 28.4.4. If an employee's transfer or revised primary residence location means that the employee no longer satisfies the residential priority requirements of subclause 28.4.3, then the employee's records upon the relevant Transfer Register(s) shall be adjusted accordingly. It shall remain the responsibility of employees to apply for any additional residential priority status which may arise as a result of their transfer or revised primary residence.
- 28.4.6 Subject to the provisions of subclause 28.4.7, an employee who has held and continually maintained residential priority status upon a General Transfer Register for two years shall then be elevated to the relevant Residential Transfer Register in accordance with subclause 28.3.3.2. Provided that employees who are elevated to a Residential Transfer Register and who are later found to no longer meet the criteria for residential priority shall be returned to and placed upon the relevant General Transfer Register by order of the date of their original application.
- 28.4.7 In the case of Senior Firefighters who are progressed to Leading Firefighter:
- 28.4.7.1 if stationed within a Regional Transfer Register area at the time of their progression then such employees who make application pursuant to subclause 28.1 within three months of the date of their progression shall be placed on the corresponding Residential Transfer Register for Officers as of the date of that progression;
 - 28.4.7.2 if holding a position on a Regional area's Residential Transfer Register for Firefighters at the time of their progression then such employees shall be entitled within three months of the date of their progression to submit a further report pursuant to subclause 28.1, following which they shall also be placed on

- 28.4.7.4 if holding a position on a Regional area's General Transfer Register for Firefighters at the time of their progression, but without holding residential priority status for that area, then such employees shall be entitled within three months of the date of their progression to submit a further report pursuant to subclause 28.1, following which they shall also be placed on the corresponding General Transfer Register for Officers as of the date of that progression.
- 28.4.8 In the case of Station Officers who are progressed to Leading Station Officer:
- 28.4.8.1 if stationed within a Regional Transfer Register area at the time of their progression then subject to subclause 28.3.1.3, such employees who make application pursuant to subclause 28.1 within three months of the date of their progression shall be placed on the corresponding Residential Transfer Register for Senior Officers as of the date of that progression;
- 28.4.8.2 if holding a position on a Regional area's Residential Transfer Register for Officers at the time of their progression then subject to subclause 28.3.1.3, such employees shall be entitled within three months of the date of their progression to submit a further report pursuant to subclause 28.1, following which they shall also be placed on the corresponding Residential Transfer Register for Senior Officers as of the date of that progression;
- 28.4.8.3 if holding a position on a Regional area's General Transfer Register for Officers at the time of their progression, and holding residential priority status for that area, then subject to subclause 28.3.1.3, such employees shall be entitled within three months of the date of their progression to submit a further report pursuant to subclause 28.1, following which they shall also be placed on the corresponding General Transfer Register for Senior Officers as of the date of that progression and recognised for the purposes of subclause 28.4.6 for that period of residential qualification already accrued;
- 28.4.8.4 if holding a position on a Regional area's General Transfer Register for Officers at the time of their progression, but without holding residential priority status for that area, then subject to subclause 28.3.1.3, such employees shall be entitled within three months of the date of their progression to submit a further report pursuant to subclause 28.1, following which they shall also be placed on the corresponding General Transfer Register for Senior Officers as of the date of that progression.
- 28.4.9 Employees who are stationed within a Transfer Register area at the time of their appointment to an Operational Support position and who make application pursuant to subclause 28.1 within three months of the date of their appointment shall be placed on that area's Residential Transfer Register as of the date of that appointment.
- 28.4.10 Subject to subclauses 14.14.2, 14.15.2 and 28.7, employees who are promoted to either Station Officer or Inspector and who are not stationed within the GSA at the time of their

- 28.5.1 An employee seeking to challenge either the Department's determination of their residential priority status, or the Department's determination of the residential priority status of another employee may appeal in the first instance by way of report to the Assistant Director Operational Personnel. Such reports shall provide all relevant details and may be supported by any documentation or evidence which the employee considers relevant to their claim. An anonymous appeal against an employee shall not be investigated.

at their own request;

under an arrangement between employees to exchange positions;

on account of the employee's breach of discipline;

from one station/location within the Metropolitan Area to another station/location within the Metropolitan Area, or within the same Zone.

Where an employee is eligible for, and takes leave, for part of a shift the Commissioner may direct the employee to take consolidated leave to credit for the remainder of the shift and if the employee does not have sufficient leave to credit, the shortfall may be taken as an advance against consolidated leave that may accrue or as leave without pay.

- 29.4.5 Provided suitable arrangements can be made for a performance of duties, an employee working a special roster who has been unable to secure accommodation for the family at the new location is entitled to sufficient special leave to permit a return home on weekends once each month to spend two consecutive days and nights with the family, together with an additional day and night in respect of each public holiday occurring in conjunction with the weekend and on which the employee would not normally be rostered for duty. This leave is limited to the time necessarily required in travelling on the day preceding and the day following such weekend.
- 29.4.6 Where a transferred employee working a special roster is located in a district where a return home once each month is not possible, such employee, after four weeks at the new location, will be entitled to sufficient leave to allow the transferred employee two consecutive days and nights at a weekend with the family. Following that four weeks, the employee will be allowed to accumulate special leave at the rate of sixteen (16) working hours per month until sufficient leave is available to allow the return home at a weekend for a similar period.

- 29.5.3 Where a transferred employee not maintaining dependant relatives in the home is unable to secure permanent accommodation at the new location, the employee is to be paid an allowance of up to 50% of the total cost of board and lodging for a maximum period of four (4) weeks subject to a maximum the amount set at Item 12 of Table 4 of Part C, per week. Where the period of four (4) weeks is not sufficient for the employee to find suitable permanent accommodation, full particulars should be provided to allow the DPE to consider the extension of this provision.
- 29.5.4 An employee receiving an allowance for temporary accommodation as set out above is entitled to a laundry (not dry cleaning) allowance as set out at:

If no mutual decision is arrived at by the Committee the matter may be referred to the Industrial Relations Commission of NSW.
- 29.5.6 Extension of assistance beyond the twenty six (26)/thirteen (13) week period may be approved only if the application for assistance is supported by acceptable evidence of unsuccessful attempts to obtain accommodation which constitutes reasonably suitable accommodation.

Provided that the journey is travelled by the shortest practicable route and completed within a reasonable time, these costs will include the actual and reasonable expenses incurred by the employee and dependants for meals and accommodation during the course of the journey.

Without Precedent / Without Prejudice

29.6.2 Removal expenses allowed under this clause includes the costs of insuring furniture and effects whilst in transit up to an amount set at Item 16 of Table 4 of Part C. Where the insured value exceeds amount, the case should be referred to the DPE for consideration. They should be provided with an inventory of items to be transferred together with a declaration that all items included in that policy are being removed or stored, or, a certificate of valuation from a registered valuer certifying the value of furniture and effects being removed or stored.

Where, due to circumstances beyond the control of the transferred employee, the furniture and effects of the employee arrive late at the new location or are moved before the employee's departure from the previous location, reimbursement of expenses for meals and accommodation properly and reasonably incurred by the employee and any dependants shall be paid.

29.6.3

29.6.3.1 A transferred employee shall be entitled to compensation for the accelerated depreciation of personal and/or household effects removed to a new location.

29.6.3.2 This entitlement is the amount set at Item 17 of Table 4 of Part C, where the Commissioner is satisfied that the employee has removed a substantial portion of what is normal household furniture, furnishing and fittings of not less value than the amount set at Item 18 of Table 4 of Part C. If the value is less than this amount, a pro rata amount is payable.

29.6.4 Where a transferred employee is required to remove the employee's furniture from temporary accommodation the employee is entitled to be reimbursed removal costs and the compensation for depreciation and disturbance in respect of each such move, notwithstanding that the employee may not be changing the location of work.

29.6.5 When an employee uses a private vehicle for the purposes of official business and finds it necessary to transport another private vehicle, normally used by a dependant relative maintained in the household, the cost of transporting or driving that second vehicle to the employee's new location shall be part of the removal costs and the employee may be paid either the cost of transportation by road or rail or, if the vehicle is driven to the new location, a car allowance at the specified journey rate set at Item 1 of Table 4 of Part C.

29.6.6 The reimbursement for the costs actually and necessarily incurred in removing personal and household effects to the new location shall be the equivalent to the lowest of three competitive quotes where practicable.

29.6.7 An advance to cover the whole or part of removal expenses allowed under this subclause is available. The amount of the advance is to be adjusted by the employee within one month of the expenditure being incurred.

29.7 Storage of Furniture

Where an employee is unable to secure suitable accommodation at the new location and is required to store the furniture while waiting to secure a residence, the cost of storage and cartage to the store, and from the store to the new residence shall be reimbursed. The employee shall also be reimbursed the cost of insurance for furniture and effects while in storage on the same basis as for insuring whilst in transit.

The maximum period of storage under this Clause is twenty six (26) weeks in the country and thirteen (13) weeks in the Metropolitan Area.

29.8 Costs of Personal Transport
