

FBEU State of the Stations Project - Audit

Overview of audit questions - Please complete the audit online at <https://www.surveymonkey.com/r/FBEUStateoftheStations>

Please contact your organiser or the FBEU if you have any questions.

Name

I am a

Delegate

Health and Safety Rep

We don't have a delegate - I will be the contact for this project and work with the team to get a delegate

Our station/workplace (number or name) is

Our station/workplace is

Permanent

Retained

Mixed

Other (please describe)

Number of firefighters/workers attached to the station or workplace?

How old is your station/workplace?

When was the last time your station was improved/renovated?

If your station/workplace has been renovated or improved, what was done and was it done well?

Do you have the names of your current HSRs clearly displayed at your station?

Yes

No

Do you have a union noticeboard at your station?

Yes

No

Do you have appropriate clean and dirty areas?

Yes

No

Don't know

How adequate* are your change room facilities? *Please note this assessment is your assessment – consider if you have enough facilities/space/how functional they are etc.

Are there separate changing facilities for men and women at your station/workplace?

Do you have enough showers and toilets? *Please note this assessment is your assessment – consider if you have enough facilities/space etc. Consider if you can ‘shower within the hour’ and if you have enough toilets.

Do men and women firefighters have separate toilets at your station/workplace?

Yes

No

Do you have adequate kitchen facilities/messroom? *Please note this assessment is your assessment – consider if you have enough facilities/space/is it in good order etc.

How adequate are your sleeping/recline arrangements? *Please note this assessment is your assessment – consider if you have enough facilities/space/privacy etc.

Are your recline/sleeping arrangements private (e.g. individual rooms or pod style)?

Are any of the following an issue you are aware of at your station/workplace?

Leak/s

Cracks in walls or other structural issues

Mould

Damaged carpets or flooring

Asbestos

Lead paint

Soil contamination

Overloaded powerpoints

Issues with heating

Issues with cooling

Lack of suitable storage

Unclean/Inadequate furniture

Issues with outdoor lighting

Lack of basic laundry facilities for everyday items (not PPC)

Problems with hot water

Other - Please describe

None of the above

Does your station have extraction fans in the engine bay?

Yes - and we believe they are adequate

Yes - but we don't think they are adequate

Yes - but they don't work

No

Our workplace is not a station and doesn't have an engine bay.

Where is your turnout gear stored?

Engine bay

Room/space - not separate from other working and living areas

Separate room – away from the engine bay and living/working areas

We don't have PPC to store at our workplace
Other (please describe)

Do you have a separate, dedicated space you can access without passing through clean areas for decontaminating equipment, cleaning BA, and for restowing and doing checks?

Do you have a drying space or cabinet?

Tell us about your hose whip

Ours is fine

Ours is poorly located or dangerous.

We should have one but we don't have one

We are not a station and so we don't need or have a hose whip

Do you have dedicated office space in your station?

Yes

No

We are not a station that requires office space.

How does your station/workplace rate?

Ours is great – no issues

Better than most

Better than some

Not better or worse just average

Worse than some

Worse than most

The worst – it's not fit for purpose at all

What's the most urgent/major problem you have in your station/workplace?

In terms of the station/workplace amenities and condition – what are the **best** stations/workplaces you've worked at, visited or heard about? Feel free to list up to three.

In terms of the station/workplace amenities and condition – what are the **worst** stations/workplaces you've worked at, visited or heard about? Feel free to list up to three.

Please upload photos for possible use in our campaigns, lobbying and discussions with your employer. We will not make individual representations about your station/workplace without discussing it with you.

Some good ones:

The front of your station – including your station sign

A picture of you and your crew/team - with their permission

Recline/sleeping area

Mess room

Engine bay

PPC storage

And any other photos that show any issues you have (or great things) at your

station/workplace.

We have given you space to upload up to eight photos. Photos are critical to our ongoing work.

Is there anything else you'd like to add about the state of your station/workplace?

Please Note: This is an overview of audit questions - Please complete the audit online at <https://www.surveymonkey.com/r/FBEUStateoftheStations>

Please contact your organiser or the FBEU if you have any questions or need assistance.
