

Rescue Response Data Collection

As outlined in SitRep 32/2026, the FBEU is collecting data from all members, statewide, on rescue responses by other agencies. This is in response to the NSW Industrial Relations Commission and FRNSW taking away the rescue allowances of Permanent GLR operators based at RCR stations, which we say is unfair and undervalues the work our members do.

* Required

Your details

This information is for verification purposes only. We will not share this information outside of the FBEU. If we would like more information from you, or want to use the information you provide in some way, we will reach out to you directly to discuss.

1. Your name *

2. Your service number *

Please enter a number less than or equal to 999999

3. Your station number *

Please enter a number less than 700

4. Your contact number

The value must be a number

The Incident

Please provide details here about the rescue incident you attended.

5. Incident number *

The value must be a number

6. Incident Type *

7. Was FRNSW responded as the primary rescue agency at the time of call? *

☐ Yes

☐ No

8. Which agency was responded as the primary rescue unit at the time of call? *

☐ SES

☐ VRA

☐ Police

☐ Ambulance

☐ RFS

☐ Other

9. Was there any other accredited rescue unit responded, or just the primary rescue agency? *

☐ Just the primary rescue agency

☐ Another one was responded

10. Which other rescue units were responded? *

- ☐ SES
- ☐ VRA
- ☐ Police
- ☐ Ambulance
- ☐ RFS
- ☐ Other

11. How many vehicles did the primary rescue unit respond? *

Please enter a number less than or equal to 10

12. For each vehicle responded by the primary rescue unit, please detail how many rescue operators were present on that vehicle. *

13. Did any of the primary rescue unit's rescue operators respond in private vehicles or a vehicle without any rescue gear on board? If so, how many responded in this manner? *

14. For each vehicle responded by the primary rescue unit, please detail what equipment they had on board to manage the rescue incident, and whether there was any essential equipment missing. *

15. For each vehicle responded by the primary rescue unit, please provide a code 3 time for when they arrived at the incident. *

16. What was the code 3 time for FRNSW's first arriving pumper? *

17. Are you aware of any rescue unit responsible for this incident being offline or on a delayed response? If so, please explain. *

18. Who ended up performing the actual rescue? *

- ☐ FRNSW crews
- ☐ The other identified rescue unit
- ☐ FRNSW crews as well as the other rescue unit (combined rescue)

19. What actions did FRNSW crews take at the incident? *

20. Do you have any other information about this incident you'd like to share? *
