Dear Mr Fewtrell

RE: CEPS Program

The Union writes with respect to the above-mentioned matter.

Members of the FBEU Senior Officer Sub Branch (SOSB) met on Friday 27 November 2020 at which the CEPS Program was discussed.

This program was first introduced some 9 months ago where members attended a brief training session (approximately 2 hours). During these training sessions members provided feedback and identified a number of problems with the program. Since this time there has been no follow-up discussion or attempt by FRNSW to address the issues raised by members. Ultimately, members are being asked to navigate a program that is confusing, impractical, time-consuming and that does not deliver anything of substance.

At the recent meeting held it was decided that members of the SOSB will not use the system. We ask that FRNSW agree to meet and properly discuss the issues members have raised and to resolve issues relating to it.

Please contact Senior Industrial Officer Helen Sourlas on 9218 3444 to arrange a suitable date and time.

Yours fraternally

Leighton Drury
State Secretary
