Special General Meetings Results

This week has seen over 500 members attend Special General Meetings held all around the State with the final meeting held at East Gosford Football Club this afternoon. It was great to listen to the discussion and debates raised at these meetings and it is good to see members engaged and supporting Agenda Issues. The votes were declared on each question at today's meeting and are as follows:

Motions	Support	Reject	Abstain
Question1 – Fix Our Fire Services Campaign	363	135	27
Question 2 – Firefighters lack confidence in Commissioner Baxter	476	30	22
Question 3 – Request for funding of further legal advice by Rule 11.4.(ii)	311	171	47
