

FBEU RALLY TOMORROW 11am

All FBEU off-duty members are reminded that the FBEU will be marching tomorrow to the steps of State Parliament in a mass membership rally for the 'Respect, Protect, Value' industrial campaign.

Your attendance at this rally is absolutely necessary if we are to address the regressive action being taken by the Minns Government in attacking firefighter wages and conditions.

With no offer on the table from the Minns Government it's time to send a strong message.

FBEU members are called to rally:
