

RALLY AT STATE PARLIAMENT TOMORROW

When: 11:30am tomorrow, Thursday 11 July

Where: Rear of NSW Parliament House (Hospital Road)

FBEU members have been forced to escalate actions after months of negotiating in good faith. We have met with MPs in our communities and made our case, yet the NSW Government remains determined to ignore our needs.

In 2022, Premier Chris Minns attended the FBEU delegates conference, stood proudly in photos with members, and asked for our trust.

Members supported Chris Minns in his election campaign. Now, we ask the Premier to support us, to RESPECT, PROTECT and VALUE the work of professional firefighters.

Tomorrow, we need FBEU members to join us.

Encourage your coworkers, family and friends to attend.

Wear a FRNSW Multi-Purpose Jacket over your Union shirt.

Join us after the rally for a family friendly gathering nearby – details to come tomorrow!

Off-duty members are encouraged to take public transport. Contact your SCOM Rep with any questions. Contact details are below.
